Re: Evily Atlantic Warehouse, LTD

To Whom It May Concern:

Please let this letter serve as a recommendation for the Evily Atlantic Warehouse in Edison, NJ. We have been working with them since their inception in 2004. From a carrier's perspective, Evily is a well-run and efficient warehouse for pick-ups and deliveries. Trucks are consistently handled quickly and professionally. The warehouse staff is friendly and courteous to our drivers and customer service personnel.

In addition, they load their freight with care and concern. Shipments are always secured and ready for the road prior to departure. Instances of damage or shifting are few and far between. Also, we know order accuracy is high as returns and errors are virtually nonexistent.

Sunteck strongly encourages any business considering a warehousing change to evaluate Evily as a service provider. We give them our highest recommendation.
