Dear Scott,

I would like to tell you how happy we have been with the level of service you have provided us through the years. There are never any problems getting appointments at the warehouse and delays at the dock have been non-existent.

I am also impressed with the level of accuracy your warehouse has provided week in and week out, I cannot remember the last order that was not 100% accurate not to mention free of any damage.

We appreciate all the time and effort you put into handling our account.

Sincerely,

Rick Blasey
